## Minutes of the General Meeting - August 4, 1989

Called to order by Prez Ed-WL7BOR @ 1910. Introductions, then Eric-AL7IM passed sign-up sheet around for help with Hamfest/Flea Market. We still do not have a spot for the Flea Market, but we seem to do this every year. John Bierman-KL7GNP gave a good talk about the use and operation of the Alaska QSL Bureau. John and XYL Dorothy deserve many Thanks from us all for their many hours of hard work keeping the Bureau active. Wilse-KL7CQ made a good follow-up statement regarding the Bureau. If you don't want QSL cards let John-KL7GNP know so he can throw them away instead of plugging up the files. Also keep your address current with the Bureau. Ed-WL7BOR told a little about his trip to Southern California and meeting Emilio-AG4T on the air down South. After a short break we had Door Prize drawings. The meeting ended with the playing of the "It's Not Raining In Tokyo" tape. Good start, Ed. Editor.

FROM THE BIG ORANGE RABBIT WL&BOR

Well, this is my first column so I'll try to keep it short. I'm hoping in the next year to be able to keep our monthly meetings informative and interesting. And I am certainly open to suggestions. If anyone knows of an interesting guest speaker who we could invite to speak at one of our meetings, please give me a call and I'll see if we can arrange something. Also, if you have any other ideas that will make our meetings more interesting, please let me know. This month's Guest speaker will be Mr. Ian Hunt-VK5QX, who is visiting from Adelaide, South Australia. Ian works at an experimental Antenna facility in Australia and actually gets paid to play around with antennas! He'll be speaking on Mobile Antennas, and I understand he has some pretty good slides etc. Well, enough for now, see you at the meeting!

If you think that the writing on packet is unclear, count yourself as being fortunate: you are able to figure out what is clear and what is not. Some people are not so gifted. Consider these examples of unclear writing, taken from actual letters received by local welfare departments with applications for support:

1. I am forwarding my marraige certificate and six children. I have seven but one died which was baptised on a sheet of paper.
2. I am writing the Welfare Department to say my baby was born two years old. When do I get my money?
3. Mr. Jones has not had any clothes for a year and has been visited regularly by the clergy.
4. I cannot get sick pay. I have six children. Can you tell me why?
5. I am glad to report my husband who is missing is dead.
6. This is my eight child. What are you going to do about it?
7. Please find out for certain if my husband is dead? The man I am now living with can't eat or do anything till he knows.
8. I am very much annoyed to find you have branded my son illiterate. This is a dirty lie as I was married a week before he was born.
9. In answer to your letter. I have given birth to a boy weighing ten pounds. I hope this is satisfactory.
10. I am forwarding my marriage certificate and three children one of which is a mistake as you can see.
11. My husband got hisproject cut off two weeks ago and I haven't had any relief since.
12. Unless I get my husband's money pretty soon I will be forced to live an immortal life.
13. You have changed my little boy to a girl. Will this make any difference?
14. I have no children yet as my husband is a truck driver and works day and night.
15. In accordance with your instructions I have given birth to twins in the enclosed envelope.
16. I want my money as quick as I can get it. I've been in bed with the doctor for two weeks and he doesn't do me any good. If things don't improve I will have to send for another doctor.

So there you have it, sports fans... more exciting bloopers to chuckle over. Perhaps next I'll compile a list of good, solid mistakes from the world of amateur packet radio. Watch out! You may be next!!! 73, WA6VQP.

## **AARC Board Meeting, August 9, 1989**

The meeting was brought to order by Ed Bosco, president, at 1900.

It was voted to drop plans for the D.F. equipment because the expense was higher than originally estimated.

The board discussed plans for the Flea Market Banquet.

The club recieved a computer program for a morse code teaching aid from an inmate at Spring Creek. Blaine Keener, NL7PV, will check it out and let us know if it is a workable program.

Fred Wegner gave the treasurer's report, and let us know that we still have money in the bank.

Fred Tolliver reported that the pull tab revenues are recovering and thanked everyone for their personal contacts that have helped with the increase in income.

Rick Marvin reported that he has been to the 94 repeater site and done some testing to find the culprit in the intermod problem. He was able to locate 3 of the intermod problems, but a 4th is still interfering. He also reported that the last thunderstorm caused problems with the 147.30 repeater, but it is working again.

Rick was also given the nod to go ahead with plans for prizes and the printing of tickets for the fall raffle.

The board discussed the possiblity of changing the September meeting because it falls on the eve of Labor Day weekend. This suggestion was dropped because we have a speaker committed to this date as well as the meeting room.

KL7FZ suggested that members bring new equipment to be displayed at each club meeting. This would give everyone a chance to see new radios first hand since we don't have access to stores and most equipment is bought mail order.

AL7BB reported that an aspiring ham in Provideniya could make good use of donated parts to be used in the construction of a tube type transceiver. Contact AL7BB for more info.

Meeting was adjourned at 2000.
